PERMISSION STATUS AND RESPONSE RATES..... 3

TABLE 2: 2019-2025 YRBS RESPONSE RATES BY SCHOOL DISTRICT 3

RESULTS 4

PARTICIPANT CHARACTERISTICS 4

Table 3: Demographic characteristics of participating students 4

Table 4: Percentage of middle school students who had parents or other adults in the home serving on active duty in the military..... 5

Table 5: Percentage of middle school students who qualified for or received free or reduced price lunches at school..... 6

Table 6: Percentage of middle school students who have been arrested or cited by the police or a school police officer in their life..... 7

Table 7: Percentage of middle school students who identified as heterosexual (straight), gay or lesbian, bisexual, some other identity, or questioning identity..... 8

Table 8: Percentage of middle school students who identified as transgender 9

HOUSEHOLD/COMMUNITY ADVERSE CHILDHOOD EXPERIENCES 10

Table 9: Percentage of middle school students who have ever been hit, beaten, kicked, or physically hurt in any way by a parent or other adult in their home 10

Table 10: Percentage of middle school students who reported that an adult or person at least 5 years older than them made them do sexual things they did not want to do 11

Table 11: Percentage of middle school students who have ever been insulted or put down by a parent or other adult in their home 12

Table 12: Percentage of middle school students who have ever had parents or other adults in their home slap, hit, kick, punch, or beat each other up..... 13

Table 13: Percentage of middle school students who have ever lived with a parent or guardian who had severe depression, anxiety, or another mental illness, or was suicidal .. 14

Table 14: Percentage of middle school students who have ever lived with a parent or guardian who was having a problem with alcohol or drug use..... 15

Table 15: Percentage of middle school students who have ever been separated from a parent or guardian because their parent/guardian went to jail, prison, or a detention center 16

Table 16: Percentage of middle school students who were sometimes/most of the time/always food insecure during the 12 months before the survey 17

Table 17: Percentage of middle school students who experienced housing insecurity during the 12 months before the survey..... 18

SCHOOL/PEER ADVERSE CHILDHOOD EXPERIENCES 19

Table 18: Percentage of middle school students who were bullied on school property during the 12 months before the survey..... 19

Table 19: Percentage of middle school students who were electronically bullied during the 12 months before the survey 20

Table 20: Percentage of middle school students who did not go to school because they felt unsafe at school or on their way to or from school during the 30 days before the survey .. 21

POSITIVE CHILDHOOD EXPERIENCES..... 22

Table 21: Percentage of middle school students who felt they were able to talk to an adult in their family or another caring adult about their feelings 22

Table 22: Percentage of middle school students who felt they were able to talk to were able to talk to a friend about their feelings 23

Table 23: Percentage of middle school students who felt close to people at their school... 24

Table 24: Percentage of middle school students who have at least one teacher or other adult in their school that they can talk to if they have a problem 25

Table 25: Percentage of middle school students who felt safe and protected by an adult in their home..... 26

Table 26: Percentage of middle school students who felt safe and secure in their neighborhood..... 27

Table 27: Percentage of middle school students who took part in organized after school, evening, or weekend activities during the past 12 months..... 28

EMOTIONAL HEALTH..... 29

Table 28: Percentage of middle school students who felt sad or hopeless almost every day for two or more weeks in a row during the 12 months before the survey 29

Table 29: Percentage of middle school students who seriously considered killing themselves during the 12 months before the survey 30

Table 30: Percentage of middle school students who made a plan about how they would kill themselves during the 12 months before the survey..... 31

Table 31: Percentage of middle school students who tried to kill themselves during the 12 months before the survey..... 32

Table 32: Percentage of middle school students who have done something to purposely hurt themselves without wanting to die, such as cutting or burning themselves on purpose during the 12 months before the survey 33

Table 33: Percentage of middle school students who ever got the kind help they need when they felt sad, empty, hopeless, angry, or anxious during the 12 months before the survey 34

ELECTRONIC VAPOR PRODUCT USE 35

Table 34: Percentage of middle school students who ever used electronic vapor products 35

Table 35: Percentage of middle school students who tried electronic vapor products for the first time before age 11 years 36

Table 36: Percentage of middle school students who used electronic vapor products during the 30 days before the survey..... 37

Table 37: Percentage of middle school students who used electronic vapor products on 20 or more days during the 30 days before the survey 38

Table 38: Percentage of middle school students who used an electronic vapor product to vape marijuana during the 30 days before the survey 39

Table 39: Percentage of middle school students who used an electronic vapor product to vape nicotine during the 30 days before the survey 40

TOBACCO USE 41

Table 40: Percentage of middle school students who ever smoked cigarettes 41

Table 41: Percentage of middle school students who smoked cigarettes for the first time before age 11 years..... 42

Table 42: Percentage of middle school students who smoked cigarettes during the 30 days before the survey 43

Table 43: Percentage of middle school students who smoked cigarettes on 20 or more days during the 30 days before the survey 44

Table 44: Percentage of middle school students who used smokeless tobacco during the 30 days before the survey..... 45

ALCOHOL USE 46

Table 45: Percentage of middle school students who ever drank alcohol 46

Table 46: Percentage of middle school students who drank alcohol for the first time before age 11 years..... 47

Table 47: Percentage of middle school students who had at least one drink of alcohol during the 30 days before the survey 48

Table 48: Percentage of middle school students who had at least one drink of alcohol on 20 or more days during the 30 days before the survey..... 49

Table 49: Percentage of middle school students who have ever rode with a driver who had been drinking alcohol..... 50

MARIJUANA USE 51

Table 50: Percentage of middle school students who ever used marijuana 51

Table 51: Percentage of middle school students who tried marijuana for the first time before age 11 years..... 52

Table 52: Percentage of middle school students who used marijuana during the 30 days before the survey 53

Table 53: Percentage of middle school students who used marijuana 20 or more times during the 30 days before the survey 54

Table 54: Percentage of middle school students who usually used marijuana by different methods during the 30 days before the survey..... 55

Table 55: Percentage of middle school students who have ever rode with a driver who had been using marijuana..... 56

NON-MEDICAL PRESCRIPTION PAIN MEDICINE USE 57

Table 56: Percentage of middle school students who ever took prescription pain medicine without a doctor’s prescription or differently than how a doctor told them to use it 57

Table 57: Percentage of middle school students who took prescription pain medicine without a doctor’s prescription or differently than how a doctor told them to use it during the 30 days before the survey..... 58

Table 58: Percentage of middle school students who took prescription pain medicine without a doctor’s prescription or differently than how a doctor told them to use it 20 or more times during the 30 days before the survey..... 59

OTHER DRUG USE..... 60

SUBSTANCE USE – PERCEPTION OF RISK 64

Table 63: Percentage of middle school students who reported that they think people risk harming themselves physically or in other ways when they have five or more drinks of an alcoholic beverage once or twice a week 64

Table 64: Percentage of middle school students who reported that they think people risk harming themselves physically or in other ways if they smoke one or more packs of cigarettes per day..... 65

Table 65: Percentage of middle school students who reported that they think people risk harming themselves physically or in other ways if they smoke marijuana once or twice a week 66

Table 66: Percentage of middle school students who reported that they think people risk harming themselves physically or in other ways if they use prescription drugs that are not prescribed to them..... 67

SUBSTANCE USE – PERCEPTION OF PARENT DISAPPROVAL..... 68

Table 67: Percentage of middle school students who reported that their parents feel it would be wrong for them to have one or two drinks of an alcoholic beverage nearly every day 68

Table 68: Percentage of middle school students who reported that their parents feel it would be wrong for them to smoke tobacco..... 69

Table 69: Percentage of middle school students who reported that their parents feel it would be wrong for them to smoke marijuana 70

Table 70: Percentage of middle school students who reported that their parents feel it would be wrong for them to use prescription drugs not prescribed to them 71

SUBSTANCE USE – PERCEPTION OF PEER DISAPPROVAL..... 72

Table 71: Percentage of middle school students who reported that their friends feel it would be wrong for them to have one or two drinks of an alcoholic beverage nearly every day 72

Table 72: Percentage of middle school students who reported that their friends feel it would be wrong for them to smoke tobacco..... 73

Table 73: Percentage of middle school students who reported that their friends feel it would be wrong for them to smoke marijuana 74

Table 74: Percentage of middle school students who reported that their friends feel it would be wrong for them to use prescription drugs not prescribed to them 75

PHYSICAL ACTIVITY 76

Table 75: Percentage of middle school students who did not participate in at least 60 minutes of physical activity on any day during the 7 days before the survey..... 76

Table 76: Percentage of middle school students who were physically active at least 60 minutes/day on 5 or more days during the 7 days before the survey 77

Table 77: Percentage of middle school students who were physically active at least 60 minutes/day on all 7 days before the survey..... 78

Table 78: Percentage of middle school students who attended physical education (PE) classes on one or more days in an average school week.....	79
Table 79: Percentage of middle school students who attended physical education (PE) classes daily	80
Table 80: Percentage of middle school students who had 9 or more hours of sleep on an average school night	81
OTHER	82
Table 81: Percentage of middle school students who have attention-deficit/hyperactivity disorder or ADHD, also called attention deficit disorder or ADD	82

INTRODUCTION

Priority health risk behaviors (i.e. preventable behaviors that contribute to the leading causes of morbidity and mortality) are often established during childhood and adolescence and extend into adulthood. Ongoing surveillance of youth risk behaviors is critical for the design, implementation, and evaluation of public health interventions to improve adolescent health. The Youth Risk Behavior Survey (YRBS) is a national surveillance system that was established in 1991 by the Centers for Disease Control and Prevention (CDC) to monitor the prevalence of health risk behaviors among youth. YRBS data are routinely collected on high school students, but only a few states collect data in middle schools. The Nevada Middle School YRBS is biennial, anonymous and voluntary survey of students in 6th through 8th grade in regular public, charter, and alternative schools. Students self-report their behaviors in five major areas of health that directly lead to morbidity and mortality, these include:

- 1) Behaviors that contribute to unintentional injuries and violence;
- 2) Tobacco use;
- 3) Alcohol and other drug use;
- 4) Unhealthy dietary behaviors; and
- 5) Physical inactivity.

The Nevada Division of Public and Behavioral Health contracted with the University of Nevada, Reno, School of Public Health to conduct the YRBS in all middle schools throughout the state. The 2025 Nevada Middle School YRBS provides statewide data to assess priority health-risk behaviors among middle school students; measure progress toward achieving national health objectives for Healthy People 2030 and other program and policy indicators; and evaluate the impact of school and community interventions at the national, state, and local level. It is our intention that these data will be used by education and health professionals, policy makers, community members, and researchers to improve the health of Nevada's middle school students.

METHODS

Sampling, Weighting, and Analysis

The 2025 Nevada YRBS sampling plan was designed to ensure that every eligible student had an equal chance of selection. A random cluster sample design was used to produce a representative sample of students in grades 6-8 (all Nevada regular public, charter, and alternative middle schools). In order to provide regional data that represent all counties in the state, all 17 school districts were grouped into 8 regions that generally reflect the Nevada Statewide Coalition Partnership (Table 1). The regional grouping also helped ensure that individual schools could not be identified. Next, classes were randomly selected within every school with the probability based on a required margin of error in the sample size for each region. Intact classes of either all second period or all required English courses were randomly selected from each school. The questionnaire was administered to all students in sampled classes from February 2025 to June 2025.

2025 Nevada Middle School YRBS State Report

The 2025 Nevada YRBS data in this report were weighted based on the sex, race/ethnicity, and grade level of students in each region. The weighting process ensured that the estimates accurately represent the entire student population in each region and the state as a whole. Non-response or poor sampling procedures can result in a sample that is not a representative subset of the population; therefore, un-weighted results from these samples may not accurately reflect student behaviors and could be misleading. This report only displays weighted results.

Table 1: 2025 YRBS sampling regions and Nevada Statewide Coalition Partnership

Region	School District	# Schools	Nevada Statewide Coalition Partnership
1	Carson City	2	Partnership Carson City
2	Douglas County	3	Partnership Douglas County
3	Elko County White Pine County Eureka County	10	Pace Coalition
4	Churchill County Humboldt County Pershing County Lander County	5	Churchill Community Coalition Frontier Community Coalition
5	Lyon County Mineral County Storey County	7	Healthy Communities Coalition
6	Esmeralda County Nye County Lincoln County	9	Nye Communities Coalition
7	Washoe County	22	Join Together Northern Nevada
8	Clark County	60	Care Coalition PACT Coalition

Permission Status and Response Rates

The Nevada legislature passed SB69, which requires Nevada public, charter, and alternative secondary schools to participate in the Nevada YRBS. SB69 also requires passive parental permission for YRBS participation. Passive parental permission means the students take a permission form home and return it only if their parent or guardian does not want them to participate in the survey. In 2025, 16 of Nevada’s 17 school districts participated in the 2025 Middle School YRBS and only 4 middle schools across the state did not participate (118 eligible respondents). Overall, 6,180 youth from 114 schools completed the survey. Table 2 shows school district and overall response rates.

Table 2: 2019-2025 YRBS response rates by school district

District	2019 YRBS Response Rate	2021 YRBS Response Rate	2023 YRBS Response Rate	2025 YRBS Response Rate
Carson City School District	90.5%	85.0%	86.5%	77.9%
